

GAIN FLOOR SPACE, REDUCE COST

We offer storage equipment that reduces space while keeping the contents and your employees safe and secure. The swap from drawer storage to shelf storage continues in American business today. The key reason is shelving saves floor space and reduces the cost of storage.

Vital Valt is a dealership you can count on to design a solution to your storage pains.

Vital Valt is a dealership/manufacturer that offers installation services in the United States and Internationally. We offer CAD assistance to plan out your storage space. And storage specialists to insure your products are stored safely. We also do Design/Build projects for just about anything you can dream up when it comes to storage.

Ever wonder what type of shelving best fits your needs and

space? At Vital Valt we are leaders in the presentation of storage concepts. You will rarely see just one idea from our team. Instead we believe you deserve as many ideas as we can design for your active shelving needs.

Types of shelving we design and install all the time are:

Office shelving (clean Lines with total adjustability), Industrial shelving which includes rivet rack, clip rack and pallet rack just to name a few. Record Box shelving, Automotive parts shelving, wide span shelving, wire shelving Modular drawer shelving, stainless steel shelving, High Density Shelving, and Weapon Rack shelving.
